## Conference on Quality

### A National conference on digital India for entrepreneurship - "World of opportunity"

- ❖ **Activity Type:** Conference
- ❖ **Date:** 5 February 2020
- ❖ **Speaker's Name:** Dr. Kailash N. Shrivastav
- ❖ **Place:** ITM Vocational University
- ❖ **Title:** A National conference on digital India for entrepreneurship - "World of opportunity"
- ❖ **Objective:** To bring together students, innovators, and academicians to explore, enhance quality and discuss prominent technologies, digitization in industries, digital infrastructure, and e-governance to enhance entrepreneurship and learning approaches

**Details of the Event:** A National conference on digital India for entrepreneurship - "World of opportunity" was organized by the ITM Vocational University on 5 February 2020. ITM Vocational University organized the conference in collaboration with SSIP. Students, innovators and academicians were invited to attend the conference covering the following sub-themes as quality enhancement: prominent technologies for innovators and entrepreneurs, growing industries with digitalization, captivating innovators and entrepreneurs, digital infrastructure, utility to every citizen and recommendation suggestions for better e-governance digitalization in learning approaches.

The keynote speakers of the conference were Dr. Kailash N Shrivastav who is a power system professional turned academician with 35 years of experience from top MNC in Europe and top educational institutions in Europe, dedicated to skilling India through his accumulated experience and out of box ideas. His area of interest includes research, technology disruption, strategic planning, and consulting. Mr. Kshitij Banker who is a VO artist, anchor, theater artist and a musician. And Mr. Kumash S Shah who is a young entrepreneur. He undertakes research activities and engages with youth to encourage them to become entrepreneurs. The keynote speakers gave an insight about the theme to the participants of the conference with real life examples pertaining to their careers. In total, 10 papers were presented at the National Conference and attended by a huge mass of ITM Vocational University.

## Seminars on Quality Conducted

### 1. Seminar on “Wine Manufacturing Process”

- ❖ **Activity Type:** Seminar
- ❖ **Date:** 12th April, 2022
- ❖ **Speaker’s Name:** Mr. Sanju Murlidharan
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Title:** Seminar on “Wine Manufacturing Process”
- ❖ **Objective:** Covering various aspects of alcohol production, grape constituents, manufacturing processes, storage, and grading of alcoholic beverages.

**Details of the Event:** A seminar on the ‘Wine Manufacturing Process’ was held at Classroom no. GF 19, ITM Vocational University, Vadodara, on 12th April 2022 from 11:00 AM to 2:30 PM. The event was organized to provide students with an in-depth understanding of the various aspects involved in wine production. The seminar commenced with a warm welcome speech by Dr. Veerendra Yadav, who set a positive tone for the session. Dr. Yadav introduced the distinguished speaker, Mr. Sanju Murlidharan, an expert in the field of wine manufacturing, to the eager participants. Mr. Murlidharan began his lecture by addressing the different types of alcohol and the specific characteristics that distinguish wine from other alcoholic beverages. He elaborated on the crucial constituents of grapes, emphasizing their role in determining the quality and flavor of the wine. This foundational knowledge set the stage for a deeper dive into the core of the seminar.

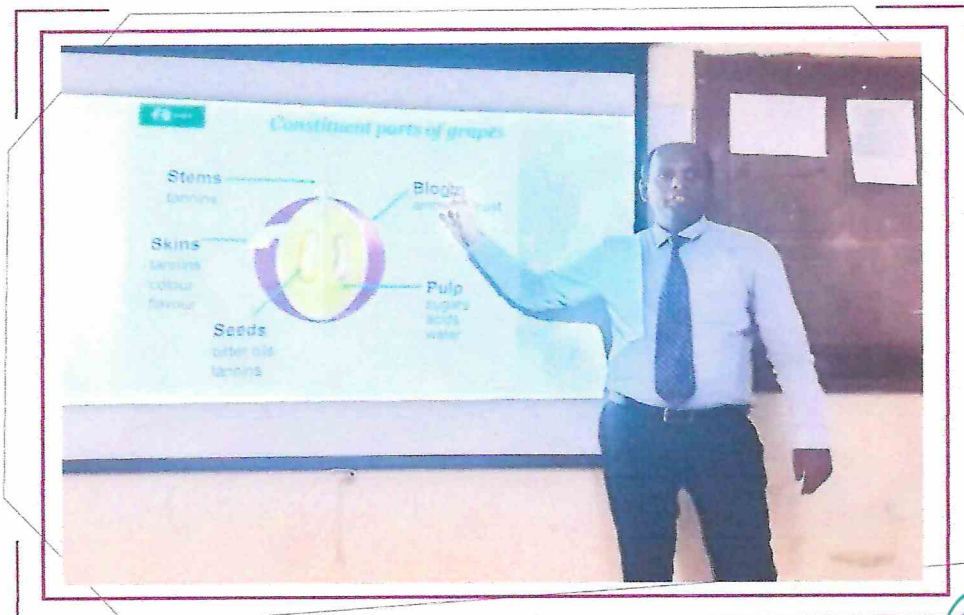

The main segment of the talk covered the various manufacturing processes involved in wine production. Mr. Murlidharan meticulously described each step, from the harvesting of grapes to the fermentation process, highlighting the importance of temperature control, yeast selection, and timing. He explained how these factors influence the final product's taste, aroma, and texture. In addition to the manufacturing processes, Mr. Murlidharan discussed the storage processes, detailing the conditions required for aging wine. He covered the types of storage vessels, such as oak barrels and stainless steel tanks, and how they impact the wine's development as a quality process. The seminar also touched upon the grading of alcohol and other beverages, providing a comprehensive understanding of the industry standards and quality control measures. The seminar was highly informative, with Mr. Murlidharan providing real-world examples and engaging the audience with his expertise. The participants were given the opportunity to ask questions, which led to insightful discussions and a better grasp of the subject matter.

## 2. Seminar on "Recent Trends of Industries: Chemical Aspects

### [RTICA 2022]"

- ❖ **Activity Type:** Seminar
- ❖ **Place:** ITM Vocational University
- ❖ **Date:** 28th January, 2022
- ❖ **Title:** Seminar on "Recent Trends of Industries: Chemical Aspects [RTICA 2022]"
- ❖ **Speaker's Name:** Dr. Keval Sonigara, Dr. Dipankar Sutradhar, & Dr. Indravijay Ravalji
- ❖ **Objective:** To discuss and explore contemporary issues, methods, and advancements in the chemical industry

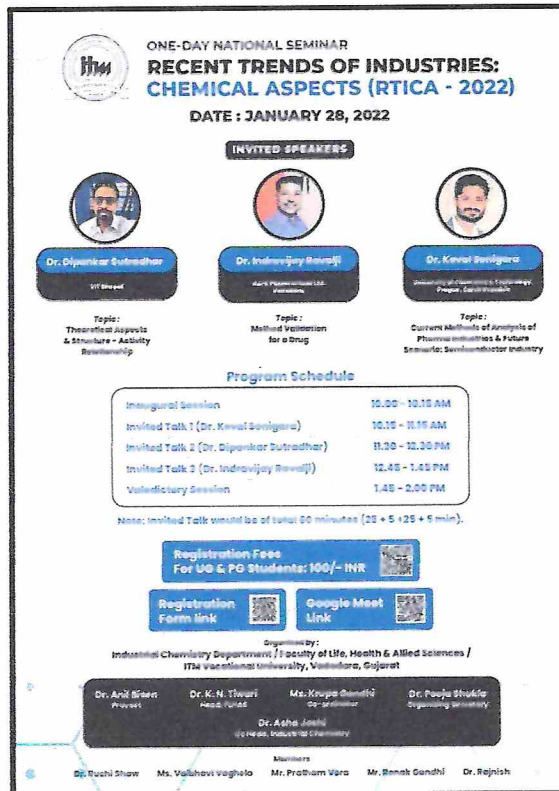

**Details of the Event:** One Day National Seminar on "Recent Trends of Industries: Chemical Aspects [RTICA 2022]" under the auspices of Faculty of Life, Health & Allied Sciences was organized at ITM Vocational University, Vadodara on 28<sup>th</sup> January, 2022. The program schedule showing the actual proceedings is attached herewith as Annexure – I. The seminar was inaugurated by Dr. K. N. Tiwari, Head, Faculty of Life, Health & Allied Sciences. Dr. Asha Joshi welcomed the delegates that included resource persons and also invited guests. A panoramic view of the topics to be covered and possible issues to be discussed was given.

Dr. Keval Sonigara, University of Chemistry & Technology, Prague, Czech Republic was the first speaker to take the stage. He covered the topic Current Methods of Analysis of Pharma Industries & Future Scenario: Semiconductor Industry. He explained comprehensively about the semiconductors, its synthesis and its potential applications in a futuristic scenario as to increase the quality of material. He had a rather interactive session which included a thorough question-answer session from the participants as well as the committee members. Dr. Dipankar Sutradhar, VIT – Bhopal delivered the talk covering the Theoretical Aspects of Structure – Activity Relationships.

Participants were thrilled to get a hold of knowledge on prediction of properties on the basis of chemical structure. Dr. Indravijay Ravalji, Aarti Pharmachem LTD. addressed the talk related to Method Validation Procedures practiced in Pharmaceutical Industries. All speakers were highly experienced, experts in their own fields. Dr. Ruchi Shaw proposed a vote of thanks and mentioned particularly the support from all the members and delegates. She thanked the Department of all the esteemed invited speakers and especially the honorable Provost Sir for his valuable support for making the event productive. Some excerpts from the event are attached herewith.

### 3. Seminar on “Industrial Equipment”

- ❖ **Activity:** Seminar
- ❖ **Title:** Seminar on “Industrial Equipment”
- ❖ **Speaker’s Name:** Mr. Dhruv Mangukiya
- ❖ **Objective:** To know Industrial Equipment
- ❖ **Date:** 19th October, 2021
- ❖ **Place:** ITM Vocational University, Vadodara

**Details of the Event:** A Seminar on ‘Industrial Equipments’ was held at Seminar Hall, ITM Vocational University, Vadodara on 19<sup>th</sup> October, 2021 during 11.00 AM to 2:30 PM. The Seminar started with a welcome speech by Dr. Pooja Shukla. Dr. Shukla introduced the distinguished speaker, Mr. Dhruv Mangukiya to the participants. Mr. Mangukiya delivered an extensive and descriptive talk on which kinds of equipment are used in industry for quality. The topics covered included: Distillation, Valves, Columns, Dryers, Valves, Reboilers, Thermal Conductors etc. A comprehensive explanation of all the general equipment was covered during the seminar. Some captured photographs of the seminar are also attached to the report. Total of 55 participants attended the seminar, among them B.Sc. Sem I, B.Sc. Sem III, B.Sc. Sem V, M.Sc. Sem I, and M.Sc. Sem III students were there. Participants responsively discussed their doubts and queries and they were all content with the answers.

The seminar ended on a positive note. The faculty members thanked Mr. Mangukiya for his valuable time and knowledge and presented him a memento as a token of their gratitude.

**4. Seminar on “Entrepreneurship Awareness Campaign Programs”**

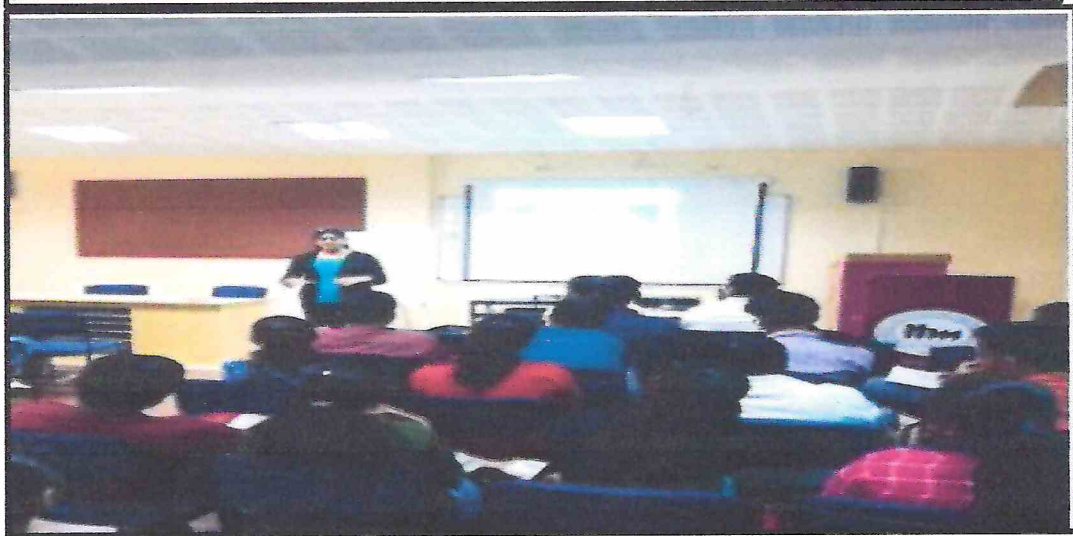

- ❖ **Activity:** Seminar
- ❖ **Date:** 07/10/2019
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Objective:** To enhance the skills and entrepreneurial capabilities of BBA, MBA students through a one-day HRD program
- ❖ **Title:** Seminar on “Entrepreneurship Awareness Campaign Programs”
- ❖ **Speaker’s Name:** Ms. Ashu Manchanda and Mr. Sumit Arora.

**Details of the Event:** The Centre for Entrepreneurship Development (CED) is the pioneer organization of Gujarat in the field of Seminar on “Entrepreneurship Awareness Campaign Programs”. As a part of its major activities CED regularly organizes Entrepreneurship Development programs for first and second generation aspirants/entrepreneurs as a quality initiative, sector specific and soft skill development training programs, workshop/seminar on related topics. CED is acting as a one stop shop for the budding entrepreneurs of the state and provides them continuous handhold support till he/she starts any new enterprise.

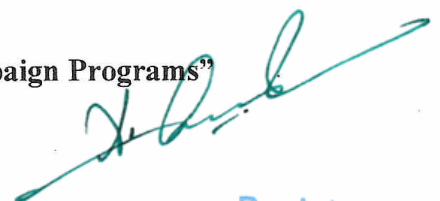

In view of the above CED partner with our university mutually collaborated to give a boost to synergize further in the area of skill & entrepreneurship. In view of the above CED organized a one day HRD program for the students of ITM Vocational University based on a soft skill training program on Achievement, Motivation as well as motivational games. The program was undertaken by Ms. Ashu Manchanda and Mr. Sumit Arora. The Students of BBA, MBA attended the seminar and workshop and participated enthusiastically. The students and faculty members appreciated the seminar and workshop.

### 5. Seminar on “College View to Office View”

- ❖ **Activity:** Seminar
- ❖ **Date:** 04 Oct 2019
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Title:** Seminar on “College View to Office View”
- ❖ **Speaker’s Name:** Mr. Neeraj Nanda
- ❖ **Objective:** To create a bridge and platform for students to work in cross-functional teams. The seminar aimed to enhance students' leadership skills and foster their ability to give back to the nation.

**Details of the Event:** ITM Vocational University earlier signed an agreement with CII Yi to promote young minds. On 04 Oct 2019 a seminar was conducted on “College View to Office View” by Mr. Neeraj Nanda, a motivational speaker. The CII-Yi Yuva platform is one of the most active focus areas within Young Indians by which Yi members engage students from across the country in various quality initiatives that the students conceptualize, plan and execute. The seminar covered topics like “Self-Analysis and Vision” and Body Language (Handshakes, eye and facial reading tips and much more).

“The objective is to create a bridge, a platform for the students to work in cross functional teams with a broad objective of enhancing their leadership skills and giving back to the nation.” said Dr. Anil Bisen, Provost, ITM Vocational University. The seminar attended by engineering, applied science and Management students was well appreciated.

## 6. Seminar on “The Centre of Entrepreneurship Development”

- ❖ **Activity:** Seminar
- ❖ **Place:** ITM Vocational University
- ❖ **Speaker’s Name:** Mr. Kiamuddin Mohomad
- ❖ **Date:** 26 October 2018
- ❖ **Title:** Seminar on “The Centre of Entrepreneurship Development”
- ❖ **Objective:** To create awareness about self-employment and entrepreneurship development among final-year students of Engineering, Science, and Management

**Details of the Event:** To create awareness about self-employment and entrepreneurship development, our university conducted an entrepreneurship seminar in collaboration with CII Yi Chapter and “The Centre of Entrepreneurship Development” (CED), Govt. of Gujarat on 26 October 2018. The Entrepreneurship Development seminar was attended by the final year students of the Engineering, Science and Management program. The Center for Entrepreneurship Development (CED) -A Government of Gujarat Organization is the 1st of this kind in the country, established in 1979, engaged in promoting Skill and Entrepreneurship across the state of Gujarat.

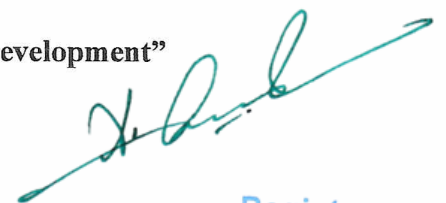

The Concept of CED is to develop entrepreneurs in the urban as well as rural areas of the state, who can establish their own Enterprise (Trading/Service/Manufacturing) which in turn aids in economic growth of the state and also creates employment opportunities for others and to consider self-employment as a career. ITM Vocational University in collaboration with CED supports and implements Industry Responsive quality Skill and Entrepreneurship Development. The process will be expected to enable industrial and sustainable growth along with empowering the young generation.

### 7. Seminar on “Banking Services”

- ❖ **Activity:** Seminar
- ❖ **Objective:** To educate BBA, MBA students about banking services and products, specifically educational loans
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Title:** Seminar on “Banking Services”
- ❖ **Date:** 27th July 2018

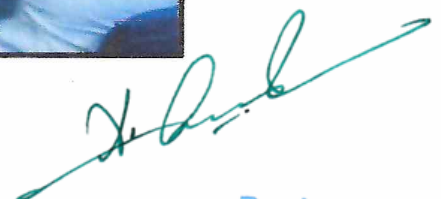

**Details of the Event:** We have organized a seminar at our campus on 27th July 2018 as a quality information sharing for BBA, MBA students regarding the Banking Services and Products specifically educational loans by syndicate banks.

The seminar began with a session by Shashank Dikshit Manager Credit of syndicate bank followed by Wasim Akram Assistant Manager Marketing and Kamlesh Gyamlani Assistant Manager Marketing regarding: The educational loan, Their schemes regarding educational loan, Who can apply, Courses covered, Loan Amount, Security, Margin, Repayment scheme, EMI Generation, Rate of Interest, Subsidy, Procedures, and Documentation.

## Workshops on Quality

### 1. One day workshop on “IOT”

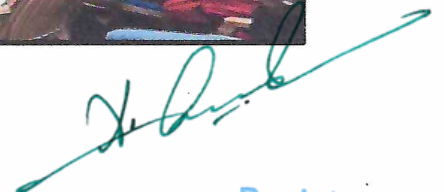

- ❖ **Activity Type:** Workshop
- ❖ **Date:** 22/04/2022
- ❖ **Speaker’s Name:** Jigar Jhalaiya
- ❖ **Place:** ITM Vocational university, Vadodara
- ❖ **Title:** One day workshop on “IOT”
- ❖ **Objectives:**
  - Introduce IoT concepts and applications.
  - Hands-on experience with IoT devices and sensors.
  - Explore real world IoT use cases.
  - Develop practical IoT skills for solution design and implementation.

**Details of the Event:** On 22nd April 2022, the Mechatronics Department organized a one-day workshop on IoT, marking a significant success in both management and student participation. We had the privilege of hosting Mr. Jigar Jhalaiya from SigmaTech Automation, an embedded senior trainer, to lead the workshop. He provided an insightful introduction to IoT concepts, discussed its implementation and future scope, and explained networking with mobile devices as a quality enhancement initiative. Mr. Jhalaiya also conducted practical IoT demonstrations using kits. The students were highly engaged and interactive throughout the session, showing a keen interest in the information presented and a strong desire to delve deeper into the field of IoT. After successfully completing the program Ms. Pujita Bhatt expressed a vote of thanks to our guest and students for attending the workshop.

## 2. Workshop on “Data analysis Through SPSS”

- ❖ **Activity Type:** Workshop
- ❖ **Date:** 11/10/2019 to 12/10/2019
- ❖ **Speaker’s Name:** Dr. Medha Kalyan, & Dr. Pulkit Kalyan
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Title:** Workshop on “Data analysis Through SPSS”
- ❖ **Objectives:** Equip participants with SPSS skills for effective data analysis. Provide hands-on experience in statistical analysis with SPSS. Familiarize participants with data cleaning and transformation using SPSS. Foster collaborative problem solving through interactive sessions.

**Details of the Event:** IBM SPSS Statistics is one of the most widely used software packages for statistical analysis, essential for organizing, interpreting, and presenting data. It serves various fields, including healthcare, social sciences, market research, education research, and data mining. This workshop introduces SPSS fundamentals, coding raw data, performing quantitative analysis, and reporting results. Participants will engage in hands-on quality practice with pre-prepared exercises. Topics include SPSS interface, dataset variables, data import, cleaning, manipulation, descriptive statistics, graphical presentations, reliability assessment, and SPSS syntax. Ideal for education professionals, research students, and anyone looking to enhance their statistical analysis skills, the workshop includes practical exercises, certification, and refreshments.

### Brochure of the workshop:

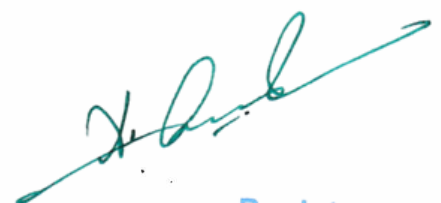

The brochure features the ITM Vocational University logo at the top left. The main text reads: 'Organizes TWO DAYS WORKSHOP ON DATA ANALYSIS THROUGH SPSS'. Below this, it specifies the dates '11TH & 12TH OCTOBER, 2019' and the time '10:00AM TO 4:00PM'. Contact information for registration is provided: 'FOR REGISTRATION, CALL: RUCHA CHAUHAN : 999928814, MANISH HARDEV : 9998647216, SUNIL SHARMA : 8122749862'. The workshop is held 'In Association with' Vidigo Power Solutions, which is also represented by a logo of a person sitting at a desk with a laptop. At the bottom, there are instructions for registration and payment: 'For registration, click on the following link (Last date for registration is 5th October, 2019): https://www.cognofair.com/ITM62/RegistrationForm For Payment, Contact and pay to: Rucha Chauhan, 999928814 (Google Plus only)'. The format of the workshop is instructed with hands-on practice on a set of pre-prepared exercises.</p>	<p><b>What the workshop includes?</b></p> <ul style="list-style-type: none"><li>• Hands-on practices using the latest version of the SPSS package.</li><li>• Workshop certificate.</li><li>• Lunch and Tea during the workshop (only for outside participants).</li><li>• Group Photograph in Soft copy.</li></ul>
<p><b>Key Contents of the workshop</b></p> <ul style="list-style-type: none"><li>• SPSS structure, interface, and windows.</li><li>• Define the dataset variables and their attributes.</li><li>• Codebook and data gathering tools.</li><li>• Import data to SPSS to create datasets.</li><li>• Clean and filter datasets and manage missing data.</li><li>• Perform data manipulation and transformation.</li><li>• Descriptive statistics and frequencies.</li><li>• Data distributions and central tendencies: mean, mode, and median.</li><li>• Dispersion: range, variance, standard deviation, skewness, kurtosis, percentiles, and Interquartile.</li><li>• Generating and analyzing basic graphical presentations.</li><li>• Construct and scales.</li><li>• Reliability assessment, and</li><li>• SPSS syntax.</li></ul>	<p><b>Duration, Venue &amp; Fees</b></p> <ul style="list-style-type: none"><li>• 11/10/2019 -12/10/2019</li><li>• Seminar Hall ITM Vocational University.</li><li>• INR 750/- per participant for Faculty/Academician</li><li>• INR 550/- per participant for Research scholar</li><li>• INR 300/- per participant for Students</li></ul> <p><b>Pre-requisites</b></p> <p>Participants are expected to bring their own laptop and should be familiar with basic statistical concepts, Microsoft Excel, and have low-medium proficiency level in English.</p>
<p><b>Who should attend?</b></p> <ul style="list-style-type: none"><li>• Education professionals and research students in various disciplines.</li><li>• Full-time workers engaged in data analysis.</li><li>• All Students and Faculty interested to learn basic statistical skills in analyzing raw data and reporting the results for decision making.</li><li>• Students and Faculty interested to improve and expand their statistical analysis skills.</li></ul>	<p><b>Instructor</b></p> <p><b>Dr. Medha Kalyan</b></p> <p>A health care professional working as Assistant professor in Sumandeep Vidyapeeth. Her area of interest include public health, community health, biostatistics, research methodology and hospital administration. She has number of publications in national and international journals and taken multiple training session and workshop across Gujarat on research methodology and Data analysis through SPSS.</p>  <p><b>Dr. Pulkit Kalyan</b></p> <p>A healthcare professional working as Associate professor in Sumandeep Vidyapeeth. Having the key strength in designing research methodologies for researches. He has worked on MS Excel, SPSS, SYSTAT, MYSTAT, Open Epi etc. software and has number of publications in national and international journals.</p>

### **3. One day workshop on “FUSION 360”**

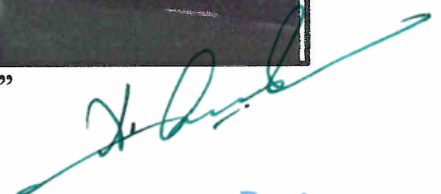

- ❖ **Activity type:** Workshop
- ❖ **Title:** One day workshop on “FUSION 360”
- ❖ **Date:** 10th Sept 2019
- ❖ **Speaker’s Name:** Mr. Krinav Makwana, and Mr. Renish Ghodasara
- ❖ **Place:** ITM Vocational University, Vadodara
- ❖ **Objective:** To introduce students to the new design software FUSION 360, emphasizing its future applications in design and simulation.

**Details of the Event:** On Tuesday, 10th Sept 2019, a one-day workshop was held at the ITMVU campus for Mechanical and Mechatronics students, with the support of Khodiyar Cad Center Pvt. Ltd. The workshop aimed to introduce students to the new design software FUSION 360, highlighting its applications in future design and simulation projects as a quality enhancement workshop. The program featured two technical experts, Mr. Krinav Makwana and Mr. Renish Ghodasara, who shared their knowledge on various topics, including sketching, geometry commands, and converting objects into 3D models using the software. The workshop was divided into two sessions and included discussions with the KCPL team about future AutoCAD and Inventor workshops, which will be beneficial for students participating in hackathons. Special thanks to Mr. Kalpesh Parekh for his support and coordination in making the event a success.
