

Extra-Curricular Activities

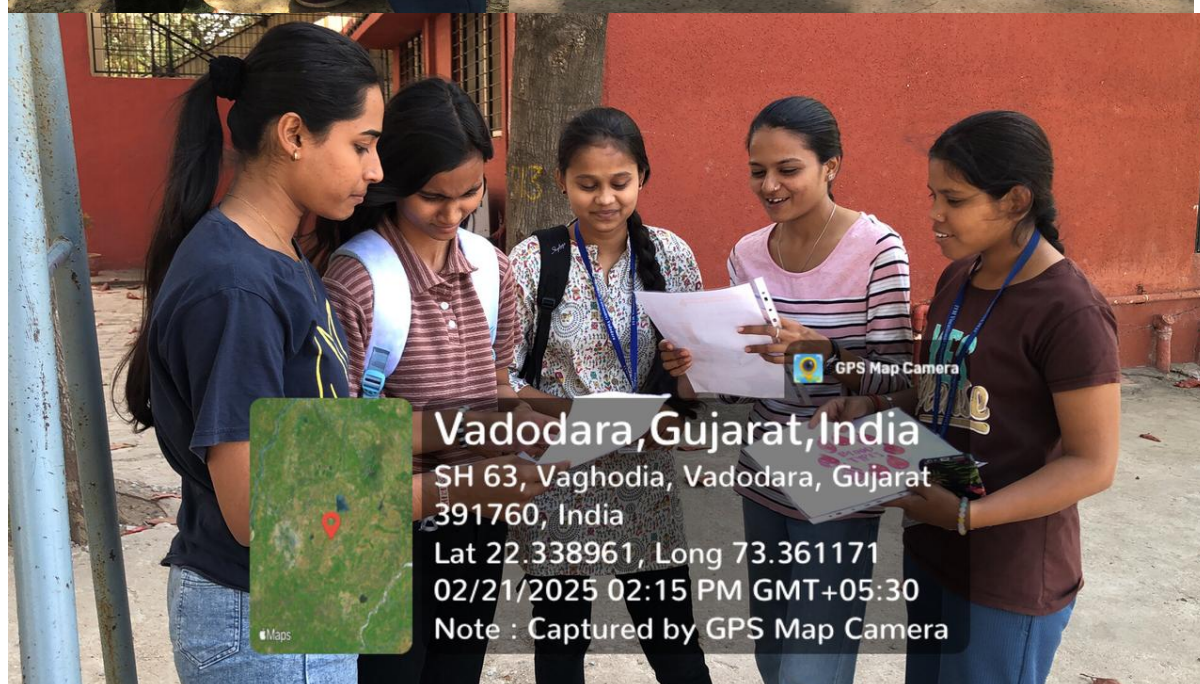

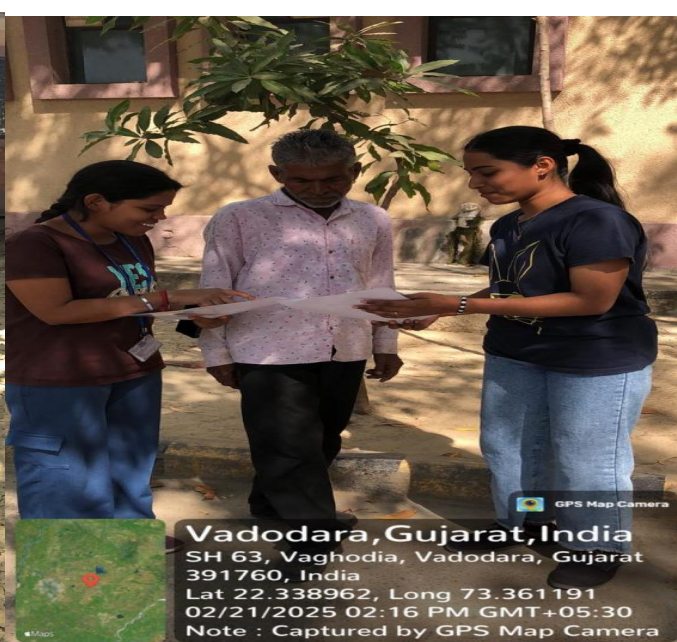

Swachhata Abhiyan

On 7th February 2025, 21 students of B.Sc. MLT (4th Semester) at ITM Vocational University participated in a Swachhata Abhiyan under the coordination of Mrs. Paramjitkaur Khaira. The students actively cleaned the university premises, promoted proper waste disposal, and raised awareness about reducing plastic usage. The initiative not only enhanced campus cleanliness but also encouraged students to adopt sustainable and eco-friendly practices.

Anaemia Awareness Campaign

On 21st February 2025, 21 students of B.Sc. MLT (2nd Year) at ITM Vocational University organized an Anaemia Awareness Campaign under the guidance of Mrs. Paramjitkaur Khaira. The initiative highlighted the importance of hemoglobin in maintaining overall health and preventing anemia. Students educated peers on adopting a balanced diet rich in iron, regular health check-ups, and healthy lifestyle practices. The activity successfully raised awareness and encouraged positive lifestyle changes within the university community.

Innovative Learning through Herbal Soap - Making Workshop

On 1st August 2025, 13 students of B.Sc. MLT (3rd Year) at ITM Vocational University participated in an activity on “Innovative Learning through Herbal Soap-Making.” Guided by Mrs. Paramjitkaur Khaira, the students gained hands-on experience in preparing eco-friendly herbal soaps. The initiative combined creativity with practical learning while promoting the use of natural products for better health and sustainability.

Creative Expressions - Cards for Women's Day

The Management Department organized a card-making activity to celebrate Women's Day. Students designed personalized cards with creative messages, which will be shared with women in the community as a gesture of appreciation.
