

Industrial Visits

Grey Matter Robotics Pvt. Ltd

The Industrial visit to Grey Matter Robotics Pvt. Ltd., Vadodara was highly insightful and enriching. Mr. Jogesh Chaudhari and Mr. Naitik Patel of the Mechatronics engineering department along with Students had the opportunity to witness cutting-edge industrial automation solutions, including gantry systems, and robotic integrations. The company's engineers and staff were welcoming and explained the processes in a clear and engaging manner.

Grey Matter Robotics Pvt. Ltd., established in 2016 and based in Vadodara, Gujarat, is a leading industrial automation company specializing in gantry automation and CNC machine automation solutions. The company designs and manufactures advanced 3-axis and 4-axis gantry systems and integrates 6-axis industrial robots from global brands like Yaskawa, Fanuc, and Universal Robots. Observing real-world applications of concepts such as mechatronics, robotics, and control systems helped bridge the gap between classroom learning and industry practices. The exposure to live automation projects, customized robotic solutions, and the overall workflow from design to implementation was extremely valuable. This visit not only enhanced technical understanding but also inspired students to explore career opportunities in automation and robotics. We sincerely thank the team at Grey Matter Robotics for their time, support, and knowledge sharing.

Future of manufacturing in motion – students learning the dynamics of a 6-axis robotic arm during our industry visit."

“Bridging education and industry – Proud moments from our student visit to Grey Matter Robotics Pvt. Ltd ”

Baroda Eye Institute

On 27th September 2024, 11 Optometry students, Four faculty members and one representative from the Training and Placement Office (TPO), ITMVU, visited Baroda Eye Institute, Sama-Savli, Vadodara. The program provided students with valuable exposure to clinical practices and hospital management, enhancing their understanding of patient care and professional responsibilities.
